HOW TO GET TO Vars les Claux:

Take La Mayt chair lift every day from July 4th to August 30th. (1 access : €10 per adult and €8 per child aged 5 to 12). Chair lift equipped for mountain bikes.

Load your mountain bikes onto the chair lift's bike racks and get to your start point in just 10 minutes.

Before you set off, drink in the views of the entire Vars resort from the Col des Saluces.

The first 5km are pretty tough until you reach Cabane de Valbelle where you can have a well-earned break.

The route continues through the magnificent Saluces forest: this is the least challenging part of the route and the smoothest ride. Pass Cabane de Pra Mouton and stay on the Col de la Coche.

The path gets tougher and steeper before you reach the first hamlets, but the views of Serre-Ponçon and Embrun are worth it. The last part is be on the main road between Saint-André and Embrun lake: take care!
